W. Ted Kuhn, Sharon Kuhn, Hartmut Gross : Global Medical Missions: Preparation, Procedure, Practice

before purchasing it in order to gage whether or not it would be worth my time, and all praised Global Medical Missions: Preparation, Procedure, Practice:

0 of 0 people found the following review helpful. Highly recommend before your first global medical missionBy Emily CooperThis was a great reference to read prior to going over seas for a medical mission. Prepared me for things that I would not have thought of until I was there and without. I highly recommend to anyone who has never been on a global medical mission.0 of 0 people found the following review helpful. Global Medical MissionsBy Patsy ZimmerleeFairly interesting book, but those who ordered their books late, were charged an out-landish amount of money for it. Glad I ordered my book early7 of 9 people found the following review helpful. Maybe the single best book on the subject.By G'nCThough much of the content is aimed at those who will be working short-term in cross-cultural medical situations, there is much good information for career workers as well.

The contents of this book are the fruit of extensive medical knowledge and field experience. The editors, including Mission to the World's medical directors Drs. Ted and Sharon Kuhn, are not only experts in their field, but they have assembled a team of experts. In this book, readers will find well prepared, in-depth content and information that is under girded by a sound biblical theology of word and deed ministry of the gospel that expresses the love and compassion of Christ for the suffering." Dr. Paul Kooistra, Coordinator for Mission to the World, PCA

From the Publisher "The contents of this book are the fruit of extensive medical knowledge and field experience. The editors, including Mission to the World's medical directors Drs. Ted and Sharon Kuhn, are not only experts in their field, but they have assembled a team of experts. In this book, you will find well-prepared, in-depth content and information that is under girded by a sound biblical theology of word and deed ministry of the gospel that expresses the love and compassion of Christ for the suffering." -Dr. Paul Kooistra, Coordinator for Mission to the World.
