**From Joint Commission on : Guide to Emergency Management Planning in Health Care** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to Emergency Management Planning in Health Care:

0 of 0 people found the following review helpful. Order the latest if working in the field, if not the prior edition is good too.By ocd\_readerGreat overview of emergency management considerations in a healthcare setting. Uses up to date terminology and based on NIMS and ICS.

Great reference guide to healthcare facilities operators, safety officers and emergency management team
