Scott Haldeman, David Chapman-Smith, Donald Peterson Jr. : Guidelines For Chiropractic Quality Assurance And Practice Parameters before purchasing it in order to gage whether or not it would be worth my time, and all praised Guidelines For Chiropractic Quality Assurance And Practice Parameters:

The first-ever practice guidelines by and for the profession! These proceedings are the result of the landmark Mercy Center Consensus Conference in which chiropractic practitioners in the academic, clinical, political, and regulatory sectors met to reach agreement on standards of practice, producing guidelines for practice that provide a major step toward addressing the needs of the patient and assuring the quality and acceptance of chiropractic health services. This

publication represents the greatest consensus ever achieved by the profession and is a must have for every chiropractic student and practitioner.
