Alison Johnson : Gulf War Syndrome : Legacy of a Perfect War before purchasing it in order to gage whether or not it would be worth my time, and all praised Gulf War Syndrome : Legacy of a Perfect War:

1 of 1 people found the following review helpful. There are thousands just like us. You will hear petsonal storiesBy Matthew Steele DowI did not know these books were written. If you are a "Gulf War Veteran, with the "Gulf War Disease" You needto buy this, book. Hey we are not alone! There are thousands just like us. You will hear petsonal

stories. You may even read a story that is like your story. Get this book, if just to have the stories. It also tells you what to do if you have "Gulf War Disease. I am a Retired MSG/ Disabled Veteran of the "Gulf War"0 of 0 people found the following review helpful. Excellent. As advertisedBy USMC DEVIL DOGExcellent. As advertised.0 of 0 people found the following review helpful. Five StarsBy Nopevery good read!

Book by Johnson, Alison

From the Back CoverAlison Johnson has successfully captured on paper the plight and pain of these heroes. --
Congressman Christopher Shays Her book should find a wide audience among veterans, their families, their doctors,
and the general public. --James J. Tuite, III This book champions their cause, providing compelling information on
these conditions and their possible connections to chemical injury and sensitivity. --Lea Steele, Ph.D.About the
AuthorAlison Johnson, B.A., M.A., is a graduate of Carleton College and studied mathematics at the Sorbonne on a
National Science Foundation Fellowship. She received a master's degree in mathematics from the University of
Wisconsin, where she studied on a Woodrow Wilson Fellowship, and she is currently a freelance editor for university
presses. She has produced and directed three videos on multiple chemical sensitivity, as well as a video titled "Gulf
War Syndrome: Aftermath of a Toxic Battlefield." She has also edited a book titled "Casualties of Progress: Personal
Histories from the Chemically Sensitive."
