Elaine Weitzman, Jan Pepper : Hablando...nos Entendemos Los Dos (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hablando...nos Entendemos Los Dos (Spanish Edition):

Una gua prctica para padres de nios pequenos con retraso en la adquisicin del lenguaje. Pueden usarla en diferentes situaciones para ayudarle al nio a comunicarse y desarrollar el lenguaje. A qu tipo de comunicacin nos referimos? Puede tratarse de un beb enfermo, un pequeuelo difcil o un preescolar temperamental. Esto no se limita a la expresin verbal, sino a la comprensin de ideas y sentimientos, gracias a lo cual el nio puede aprender a relacionarse con su mundo. Es un libro bien ilustrado y de amena lectura que ayuda a facilitar el aprendizaje del lenguaje a travs de las conversaciones y rutinas cotidianas, mediante juegos, msica, lectura y creando juntos por medio del arte. -- Written in

simple language and filled with lively, colorful illustrations, this Spanish translation of *It Takes Two to Talk* (Second edition, 2004) shows parents how to help their child communicate and learn language during everyday activities like mealtime, playtime and book reading. Hanen's most popular parent guidebook is invaluable for parents of children ranging from those in the earliest stages of communication to those who have begun to talk in short sentences. *Hablando nos entendemos* is supported by the most current research, and includes easy-to-use checklists, practical guidelines for choosing communication goals, and a new section on building the foundations for literacy. This user-friendly guidebook shows parents how to have fun with their children while turning every interaction into an opportunity for language learning.
