**Rose Dunn, Theo Haimann : Haimann's Supervisory Management for Healthcare Organizations** before purchasing it in order to gage whether or not it would be worth my time, and all praised Haimann's Supervisory Management for Healthcare Organizations:

0 of 0 people found the following review helpful. Very Good! A+!!By Joel.MercedLike New! love it! super fast!0 of 0 people found the following review helpful. Three StarsBy Kerry B Bloomerok0 of 0 people found the following review helpful. Personal OpinionBy jw1icuI found this book to be an easy read. It gets right to the heart of the topic and provides pertinent, meaningful examples. I would recommend this book for entry level management and/or as a refresher.

This text is designed to acquaint the student with the role of supervision in a healthcare organizational setting. Coverage includes information technology and implications, managed care and healthcare reform systems.

About the Author During her 25 year career Rose Dunn has had more than 200 articles published, is a sought after public speaker on a variety of healthcare subjects, and has authored books on legal aspects, finance, and management. She has served as a faculty member at the University of Minnesota's Healthcare Administration Program, teaching finance; at St. Louis University's School of Business, teaching management; and at Stephens College's Health Information Management Program, teaching legal and ethical aspects, management, and finance.
