**Cathy Jo Cress : Handbook Of Geriatric Care Management** before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook Of Geriatric Care Management:

0 of 0 people found the following review helpful. Good reference book to haveBy NormaIt becomes very technical and overly complicated in spots. But it is a good outline for thinking through a situation and having guidelines.0 of 0 people found the following review helpful. Four StarsBy SuzanneGood book, very thorough. Still reading it.0 of 0 people found the following review helpful. Care ManagementBy Cameron OglesbyExcellent book detailing every aspect of Care Management. The author offers practical solutions to real problems facing the elderly, their families, and Care Managers. A must for every bookshelf of professional Care Managers!

Handbook of Geriatric Care Management, Third Edition is a comprehensive guide for Geriatric Care Managers (GCMs) to help define duties and procedures while providing guidelines for setting up a geriatric care practice. An essential teaching tool, this new edition is an easy-to-use, practical guide that gives students the foundation they need to receive a certificate or degree in GCM. The Third Edition has been completely updated with revised chapters on psychosocial assessment, functional assessment, ethnic and cultural assessment, and writing a geriatric assessment. Also included throughout the text for additional study are sample forms, sample letters, and case examples.
