**Robert Golembiewski : Handbook of Organizational Consultation, Second Editon (Public Administration and Public Policy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook of Organizational Consultation, Second Editon (Public Administration and Public Policy):

0 of 0 people found the following review helpful. Five StarsBy Russell C. JonesExcellent purchase. Can't beat the

price!

A handbook on organizational consultation. This second edition includes more than 35 new chapters and an expanded list of international contributors. It analyzes all aspects of organizational consulting - including normative, empirical and political topics - and offers a broad view of consultation diagnoses, problem centres, and interventions.

"Praise for the first edition. . . . this volume attempts to respond constructively to the burgeoning need for a comprehensive learning resource [on consultation]. . . users will be found in many contexts. . . In a broad array of in-service settings. . . serve[s] the needs of consults." ---European Foundation for Management Development . . . a reference guide, training handbook, and practitioner's tool. . . . the treatment of each intervention avoids prescription and is sensitive to relevant advantages and disadvantage. . . stand alone as a comprehensive source of information and guidance on the consultancy enterprise. . . a careful reading of this book will be a profitable endeavor for both consulting practitioners and their clients." ---Perspectives on Political Science
