**From James A Inciardi : Harm Reduction: National and International Perspectives** before purchasing it in order to gage whether or not it would be worth my time, and all praised Harm Reduction: National and International Perspectives:

0 of 0 people found the following review helpful. thank you. Very nice.By Mary Konopinskithank you. Very nice.

In this volume, international contributors discuss the philosophical basis and history of harm reduction policies and examine their outcomes. They also cover controversial topics related to harm reduction especially conflicts between the public health system, where most programs are located, and a worldwide criminal justice system that further marginalizes drug users. The book describes programs from the United States, the United Kingdom, Canada, Brazil, The Netherlands, Switzerland and Australia.
