Susan Alvare Hedman, Jetta Fuzy, Suzanne Rymer : Hartman's Nursing Assistant Care: Long-Term Care, 3e before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hartman's Nursing Assistant Care: Long-Term Care, 3e:

1 of 1 people found the following review helpful. Worth the priceBy ShyReaderRequired textbook for CNA course my child is taking. Her opinion is that it's well laid out, includes color photos for reference and has an adequate table of contents to assist with navigating. She's only had the book for one week but claims she's learning a lot. Also, excellent shipping time. Received the book four days earlier than projected. A major bonus when working on a deadline before course starts.0 of 0 people found the following review helpful. Three StarsBy P. RiggsGreat book for education classes0 of 0 people found the following review helpful. Much less than the price at the school storeBy PattyNeed to buy it for a class.

Hartman's Nursing Assistant Care: Long-Term Care, 3rd Edition The third edition of Hartman Publishing's best-selling nursing assistant training textbook includes information on long-term care, as well as material on subacute and acute care. This edition of the textbook contains: - In-depth information on resident rights and special boxes throughout that teach ways to promote independence and prevent abuse and neglect - New information on person-centered care and culture change - Up-to-date, comprehensive material on infection prevention - Many new photos and more website resources - Material on anatomy and physiology with an emphasis on normal changes of aging and observing and reporting - Updated nutrition information on MyPlate, special diets, and feeding techniques - Current information on legal issues, such as HIPAA, the Patient Self-Determination Act, and the Elder Justice Act - 1 chapter containing subacute and acute care information, including pre- and post-operative care, as well as mechanical ventilation, chest tubes, and artificial airways - Chapter-ending material which develops critical thinking, as well as tests the chapter - Significantly expanded testing section available to instructors, including 24 chapters exams, two final exams, and a critical thinking exam, along with a practice exam for students taking the certification test - A table of procedures, common abbreviations list, a special appendix with a math review, and a glossary

About the Author Hartman Publishing began offering in-service education programs to long-term care facilities and home health agencies in 1994. Students and teachers using our materials benefit from a company focused solely on educating and inspiring caregivers.
