0 of 0 people found the following review helpful. A great book for Nursing Assistant studentsBy NadiaI am currently a cna student and this book is fantastic! It is easy to understand and has some cna skills. In each chapter a different topic is discussed like hospice care and mental health. It also has medical terminology, illustrations and resources to help you as a cna student.0 of 0 people found the following review helpful. Five StarsBy srMuellerPerfect0 of 0 people found the following review helpful. A++++ SellerBy CustomerGreat book just what I needed for my class thank you

Hartman's Nursing Assistant Care: Long-Term Care and Home Care, 2nd Edition The second edition of Hartman Publishing's most comprehensive nursing assistant training textbook includes information on long-term care, as well as multiple chapters on home health care, and some material on subacute and acute care. This edition of the textbook contains: - In-depth information on resident and client rights and special boxes throughout that teach ways to promote independence and prevent abuse and neglect - New information on person-centered care and culture change - Up-to-date, comprehensive material on infection prevention - Many new photos and more website resources - Material on anatomy and physiology with an emphasis on normal changes of aging and observing and reporting - Updated nutrition information on MyPlate, special diets, and feeding techniques - Current information on legal issues, such as HIPAA, the Patient Self-Determination Act, and the Elder Justice Act - 7 chapters on home health care, including information on medications, safety, infection prevention, mothers newborns, and meal planning and preparation - 1 chapter containing subacute and acute care information, including pre- and post-operative care, as well as mechanical ventilation, chest tubes, and artificial airways - Chapter-ending material which develops critical thinking, as well as tests the chapter - Significantly expanded testing section available to instructors, including 31 chapters exams, two final exams, and a critical thinking exam, along with a practice exam for students taking the certification test - A table of procedures, common abbreviations list, a special appendix with a math review, and a glossary

About the AuthorHartman Publishing began offering in-service education programs to long-term care facilities and home health agencies in 1994. Students and teachers using our materials benefit from a company focused solely on educating and inspiring caregivers.
