Medical Management Institute : HCPCS 2008: Medicare's National Level II Codes Professional Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised HCPCS 2008: Medicare's National Level II Codes Professional Edition:

0 of 0 people found the following review helpful. Not the AMA VersionBy misty l. greenI am taking the Cert. test for CPC in December and need the American Medical Association version of the HCPCS to take the test. This was not the right one as this one is by someone elas. It looks just like the AMA one, same colors and everything. I never opened the book sice I can't use it for the test!

If you submit claims to Medicare, you understand the need to have the most up-to-date listing of HCPCS Level II codes. This critical resource details Medicare s National Level II codes for DME, drugs and other medical supplies and the mandated changes for 2008. Do not settle for less reimbursement than you deserve.
