Anderson I bought this book as a resource for our Consumer Medical Advocate business. The book looks brand new with no writing within and arrived very promptly. 0 of 0 people found the following review helpful. Exactly what I was looking for By Jill New job - did not get to bring books from previous job and needed a reference guide especially with the code changes on the horizon.

Accurately report supplies and services for physician, hospital outpatient, and ASC settings with the Ingenix HCPCS Level II. Use this comprehensive reference for the HCPCS code set that focuses on management of reimbursement. This user-friendly book will guide any coder confidently through current modifiers, code changes, additions and deletions with information as dictated by the Centers for Medicare and Medicaid Services (CMS).
