Melvyn R. Werbach : Healing Through Nutrition: The Natural Approach to Treating Illness with Diet and Nutrients before purchasing it in order to gauge whether or not it would be worth my time, and all praised Healing Through Nutrition: The Natural Approach to Treating Illness with Diet and Nutrients:

This book provides the nutritional roots and cures for 50 common illnesses, from the common cold to cancer. A chapter is devoted to each of the 50 ailments, and the book includes: an analysis of dietary factors affecting health and well-being; a suggested healing diet for the 50 illnesses; nutritional healing plans, with recommended dosages for minerals and other essential nutrients; an explanation of vitamin supplements and how they can affect your health; and guidelines on how to plan the right healing diet for you and how to diagnose food sensitivities.
