Lawrence Wolper : Health Care Administration: Planning, Implementing, and Managing Organized Delivery Systems before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Care Administration: Planning, Implementing, and Managing Organized Delivery Systems:

1 of 2 people found the following review helpful. Excellent Source for Understanding Financing of Healthcare FacilitiesBy Gloria JonesThis book has broadened my mind in terms of assisting me with finding resourceful means of

seeking financing for healthcare facilities by utilizing my Masters of Healthcare Administration degree. This book has armed me with knowledge. How can I make this knowledge in the healthcare arena work for me? First, this book has given me the ammunition that I need in terms of creating my career path in the healthcare arena either as an independent consultant or as a full-time employee. Thanks for this valuable information. 0 of 1 people found the following review helpful. pleasedBy shawntaI enjoyed this book and I was glad that I was able to purchase this product at a reasonable price

A definitive guide to contemporary health administration. It provides comprehensive coverage of detailed functional, technical, and organizational matters that pertain to organized delivery systems.
