**Thomas Getzen : Health Care Economics** before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Care Economics:

Becoming a manager of a health care organization requires a broad understanding of the field. This includes a strong grasp of the economics involved in the daily operation of the organization. Providing an accessible introduction to important economic concepts in the field, this book will help readers gain the knowledge to run an organization. Getzen breaks down difficult topics while explaining the importance of economics in the function of the health care system.
