**Donald N. Lombardi, John R. Schermerhorn : Health Care Management** before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Care Management:

0 of 0 people found the following review helpful. SaveD \$\$\$By clksts1This book was exactly the same as the school was trying to sell me for \$250! I ordered it at the last minute and still received it well before the date it was scheduled to arrive. I will always check before I buy anything from the school bookstore again.0 of 0 people found the following review helpful. Five StarsBy Constance M. VanRiperty0 of 0 people found the following review helpful. Health Care ManagementBy cindy akenThis book was in excellent condition when it arrived. This book is very informational. I would recommend this book to anyone whom is wanting to learn about Health Care Management

You can get there Where do you want to go? You might already be working in the health care field and may be looking to expand your skills. You might be setting out on a new career path. Or, you might want to learn more about exciting opportunities in health care management. Wherever you want to go, Health Care Management will help you

get there. Easy-to-read, practical, and up-to-date, this text not only helps you learn fundamental health care management concepts; it also helps you master the core competencies and skills you need to succeed in the classroom and beyond. The book's brief, modular format and variety of built-in learning resources enable you to learn at your own pace and focus your studies. With this book, you will be able to: \* Understand the health care supervisor's job, roles, functions, and authority. \* Respond to common types of ethical dilemmas. \* Explore the fundamentals of organizational structures. \* Lead and develop work teams that are efficient, focused, and flexible. \* Examine the legal and labor issues that impact human resource management. \* Implement planning tools and techniques. \* Use controls to assess performance, improve processes, and boost quality. \* Make smart decisions with effective strategies for analyzing situations. \* Become an effective leader and guide others through challenging times. \* Develop outstanding interpersonal communication skills. Wiley Pathways helps you achieve your goals When it comes to learning about health care management, not everyone is on the same path. But everyone wants to succeed. The new Wiley Pathways series in Health Care Management helps you achieve your goals with its brief, inviting format, clear language, and focus on core competencies and skills. The books in this series--Introduction to US Health Care, Health Care Management, Health Care Economics, and Health Care Law Ethics--offer a coordinated curriculum for learning health care management.
