As a freelance writer and editor, I do a lot of work focusing on the health care industry. It is one of the few books I did not sell have completing my Master's degree.0 of 0 people found the following review helpful. Four

StarsBy SmileyGood book! Informative...it was required for a course in my health care administration degree program0 of 0 people found the following review helpful. Needed for a Masters in Healthcare Administration CourseBy JezabeI enjoyed this book and expect I will be referring to it regularly as my career progresses. It has all the pertinent, still up to date information you need to adequately create a viable marketing plan. I had very little knowledge in this area and after finishing this book, I was able to successfully present an approved plan.

Health Care Market Strategy: From Planning to Action, Third Edition, a standard reference for over ten years, bridges the gap between marketing theory and implementation by showing you, step-by-step, how to develop and execute successful marketing strategies using appropriate tactics.
