From Palgrave Macmillan : Health Care Systems in Europe under Austerity: Institutional Reforms and Performance (Work and Welfare in Europe) before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Care Systems in Europe under Austerity: Institutional Reforms and Performance

(Work and Welfare in Europe):

This book analyses recent reform trends of European health care systems. Using eight European countries case studies it connects policy reforms with a healthcare quadrilemma, and compares how well these systems perform in terms of economic efficiency, medical achievements, social inequalities, and responsiveness to patients and workers.
