From Brand: SAGE Publications, Inc : Health Care Systems in Transition: An International Perspective before purchasing it in order to gauge whether or not it would be worth my time, and all praised Health Care Systems in Transition: An International Perspective:

This book offers an overview of health care systems in advanced industrial nations and its relation to current

challenges from the USA. Part One offers guidelines for comparing health care reforms. Parts Two to Five examine health care and attempts at health care reform in Germany, Canada, Sweden and the United Kingdom. Part Six considers the impact on reform of structural differences in health care systems, and how national reform measures might be reflected in regional and state programs in the United States.
