Harry A. Sultz, Kristina M. Young : Health Care USA: Understanding Its Organization and Delivery, Seventh Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Care USA: Understanding Its Organization and Delivery, Seventh Edition:

0 of 0 people found the following review helpful. Its a great starting book with lots of good informationBy Anthony MejiaThe first book I needed for grad school health information technology. Its a great starting book with lots of good

information.0 of 0 people found the following review helpful. Five StarsBy Welvonte HubbardGreat product0 of 0 people found the following review helpful. Good but expensiveBy CustomerThe book was in very good condition, the only thing is, the price was too expensive! I found a cheaper price somewhere else

Health Care USA, Seventh Edition, offers students of health administration, medicine, public health, and related fields the most comprehensive overview of Americas health care system under a single cover. Combining historical perspective with analysis of modern trends, this expanded edition charts the evolution of modern American health care, providing a complete examination of its organization and delivery while offering critical insight into the issues that the U.S. health system faces today. From a physician-dominated system to one defined by managed care and increasingly sophisticated technology, this essential text explains the transformation underway and the professional, political, social, and economic forces that guide it today and will in the future. Exhaustive in breadth and balanced in perspective, Health Care USA, Seventh Edition, provides students with a clearly organized, straightforward illustration of the complex structures, relationships and processes of this rapidly growing, \$2.5 trillion industry. The seventh edition has been thoroughly revised to reflect recent developments in this dynamic industry. The latest edition features: A comprehensive overview of the complex and evolving U.S. health care system, plus revised data, material and analysis throughout. The latest benchmark developments in health care, including the response of public health to swine flu and the Obama administrations health care reform. A look at the recent recessions effects on hospital finances. New projections and data trends on the countrys health care spending. A forward-looking perspective on the future of the U.S. health care system.
