Jill Lenk Schilp, Roy E. Gilbreath, Roy Gilbreath, Jill Schilp : Health Data Quest : How to Find and Use Data for Performance Improvement before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Data Quest : How to Find and Use Data for Performance Improvement:

Improve clinical performance and demonstrate value to health care purchasers and insurers by becoming a "data detective" within your organization. Health Data Quest is the practical guide to the most current and promising emerging measurement tools, and provides guidance for effectively and efficiently finding, interpreting, presenting, and using data. This much-needed book is filled with the essential information, instructive models, and useful tools managers and executives need to create a program that can clearly demonstrate how a health care organization offers quality care in a cost-effective manner, including how to build a data warehouse.
