**James W. Henderson : Health Economics and Policy (with InfoApps 2-Semester Printed Access Card)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Health Economics and Policy (with InfoApps 2-Semester Printed Access Card):

1 of 1 people found the following review helpful. Good book. By Dan Durrer I needed this for a healthcare econ class. It was insightful and I learned a lot. I would recommend this book to those that are interested in healthcare economics. 0 of 0 people found the following review helpful. Cheap, does the trick. By Hannah Winters I bought this version instead of the brand new version. There is hardly any difference at all. I would say get this instead of 5th edition to save money. 0 of 3 people found the following review helpful. what i needed. By Stuart Kyllowell, it's the textbook i needed and came in pristine condition. didn't ask for anything more

Learn to analyze public policy from an economic perspective with HEALTH ECONOMICS AND POLICY WITH

ECONOMIC APPLICATIONS, 4th Edition. The author explains how the theories work and how health care financial systems operate in the real world. You'll develop an understanding of the social, political, and economic contexts of health care delivery, as well as the changing nature of health care.

About the Author James W. Henderson is the Ben H. Williams Professor of Economics at Baylor University, where his teaching and research center on health economics and policy. Before joining the Baylor faculty, he was Vice President of Finance and Management at the Dallas Minority Business Center. Dr. Henderson's economic research has appeared in *Health Care Financing*, *Journal of Development Economics*, *Journal of Rural Health*, and *PharmacoEconomics*. He has lectured in the United Kingdom, South Africa, Mexico, Sweden, and Ukraine. Dr. Henderson earned his PhD at Southern Methodist University.
