Joseph K H Tan Ph.D. : Health Management Information Systems: Methods and Practical Applications before purchasing it in order to gauge whether or not it would be worth my time, and all praised Health Management Information Systems: Methods and Practical Applications:

A textbook for students going into health-care management, explaining the current technologies being used to process

information in the field. In his revision of the 1995 first edition, Tan (health policy and management, U. of British Columbia) uses a more practice-based approach, adds scenarios to
