The only reason I didn't give it 5 stars is because there were quite a few mistakes in the book. Some were grammatical, and some were factual. It doesn't take much to proofread a book this size, and I really think someone should've looked through it before printing it. 1 of 1 people found the following review helpful. It was a great primary study tool By kristen It was a great primary study tool.. The book is great just don't rely solely on it. This website really made all the difference between the book and this test my score was AMAZING and I was one of the top picks for my program. <http://www.learningexpresshub.com/productengine/LELIndex.html#/career-center/resources/prepare-for-an-entrance-exam/prepare-for-allied-health-programs-entrance-tests/health-occupations-practice-entrance-tests> 0 of 0 people found the following review helpful. I rocked the PSB HOAE with this book. By Sometimes, you just mean "xylophone" I ordered the 2015 guide, but only recently took the exam. I used this study guide in combination with another, and I did exceptionally well.
