Charlene Harrington, Carroll L. Estes : Health Policy: Crisis And Reform In The U.S. Health Care Delivery System before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Policy: Crisis And Reform In The U.S. Health Care Delivery System:

0 of 0 people found the following review helpful. Good condition and great priceBy BrookePurchased as required text book for class. Good condition and great price.0 of 0 people found the following review helpful. Just OKBy ann I wayI needed this book for a Health Policy class. It was just OK and I got through the class.0 of 0 people found the following review helpful. Ordered used book "Like new", was damaged. Kept it anyway.By Michelle BellBoring, but necessary to read for a class. Not what I would consider a book to read if you are interested in health care policy and most likely be an old reading once Obama care is in place.

The Fifth Edition of this best-selling health policy text is updated with a collection of new articles on various health policies. Health Policy provides a basic overview of the health policy and political process as it relates to the health status of the US, the organization and issues of the healthcare system, and healthcare economics.
