Neil Bracht : Health Promotion at the Community Level: New Advances before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Promotion at the Community Level: New Advances:

Like the First Edition, this book serves as a guide to the science and art of community health promotion. The last decade of research and development has considerably advanced the science of achieving and maintaining health. In this new edition, international contributors share their experiences and expertise about diverse health promotion and

point out areas needing adjustment in community implementation, both on an international and domestic level.
