From Nova Science Pub Inc : Health-Related Quality of Life (Public Health in the 21st Century) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Health-Related Quality of Life (Public Health in the 21st Century):

Tracking health-related quality of life in different populations can identify subgroups with poor physical or mental

health and can help guide policies or interventions to improve their health. This book gathers the latest research from around the world in this field.
