**Health Professions Institute, Ellen Drake, Sally C. Pitman, John H. Dirckx : Healthcare Documentation: Fundamentals and Practice (4th Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Healthcare Documentation: Fundamentals and Practice (4th Edition):

1 of 1 people found the following review helpful. It is laid out very nicely and it is easy to study and rememberBy The FlashIt is laid out very nicely and it is easy to study and remember. It has helped me get an A on all of my transcription tests! I was impressed with how nicely it came. It was like it was brand new. At my college book sale, this was 158.00 so I saved a lot of money. I would recommend this to anyone who wants a deal!1 of 1 people found the following review helpful. Great!!!!By laura k.Fast shipping and helped save a lot of money. Came in great usable condition. Very pleased.0 of 0 people found the following review helpful. Great price!By CustomerIt was cheaper on than purchasing from college library.

Ideal for learners with no prior experience and those seeking refresher training, *Healthcare Documentation: Fundamentals and Practice, 4/e* is the most comprehensive healthcare documentation learning system available. It begins with a thorough overview of the medicolegal and technology aspects of healthcare documentation, including key trends such as electronic health records, security, privacy, and speech recognition. Next, it provides integrated content linked to 10 hours of authentic medical dictation practice. Extensive exercises in the text combine with online audio exercises to systematically reinforce core knowledge and build critical thinking, editing, and research skills. The final chapter focuses on finding employment and preparing students for the workplace, professional development, and continuing education. This edition has been extensively revised for the latest industry trends and techniques, contains many new learning features, and offers a compelling new full-color design with many new illustrations.
