Louis C. Gapenski : Healthcare Finance: An Introduction to Accounting and Financial Management, Fourth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Healthcare Finance: An Introduction to Accounting and Financial Management, Fourth Edition:

0 of 0 people found the following review helpful. Four StarsBy EricJust ok1 of 1 people found the following review helpful. superb.....By nagwa kamalit is clean, it looks 100% new, timely arrived, and the book it self is very useful, it is my reference book, I am an accountant and a consultant with minimum healthcare experience, this book fill in that

gap ..thanks a lot2 of 2 people found the following review helpful. Great Price!By Book WormHad I purchased this exact same textbook through my college bookstore, I would have paid over a hundred bucks for an electronic version of it. I paid less than fifteen bucks for it here on , for a slightly used copy.

Like its predecessors, this textbook teaches the reader the fundamental concepts of healthcare finance, including both financial management and accounting. The fourth edition features: New or expanded coverage of: Municipal bond pools, Cost of capital for not-for-profit and small businesses, Modified internal rate of return, Supply chain management , Health savings accounts, Current information on reimbursement, along with updated real-world examples, Easy-to-grasp spreadsheet illustrations of the calculations throughout the book Learning aids, including a glossary; self-test questions; and end-of-chapter key concepts, questions, and problems

About the AuthorLouis C. Gapenski, PhD, is a professor in both health services administration and finance at the University of Florida. He is the author or coauthor of 27 textbooks on corporate and healthcare finance. He has published over 25 journal articles related to corporate and healthcare finance. Dr. Gapenski received a B.S. degree from the Virginia Military Institute, a M.S. degree from the U.S. Naval Postgraduate School, and M.B.A. and Ph.D. degrees from the University of Florida. Dr. Gapenski is an active member of the Association of University Programs in Health Administration, the American College of Healthcare Executives, and the Healthcare Financial Management Association. He has acted as academic advisor, chaired sessions, and presented papers at numerous national meetings, and has been a reviewer for eleven academic and professional journals.
