**Walter J. Flynn, Robert L. Mathis, John H. Jackson : Healthcare Human Resource Management** before purchasing it in order to gage whether or not it would be worth my time, and all praised Healthcare Human Resource Management:

2 of 2 people found the following review helpful. Not a bad book and the price for it was greatBy NajahNot a bad book and the price for it was great. My class was using the newer edition but this book works perfectly well. Save some money and buy the older edition and you will not be missing anything.0 of 0 people found the following review helpful. its a good book easy to readBy Laebrought it for my healthcare human resource class, its a good book easy to read.1 of 1 people found the following review helpful. what I got looks like photocopies(all black and white) of the original bookBy JRFor a pricey book, I would have expected quality print. Instead,what I got looks like photocopies(all black and white) of the original book. I got screwed from this order.

Healthcare management is changing. Do you know which direction it's headed? HEALTHCARE HUMAN RESOURCE MANAGEMENT is written to be relevant to you, whether you're a student or currently working in healthcare. HEALTHCARE HUMAN RESOURCE MANAGEMENT is current, topical, and informative. No matter your status, this is the human resources and healthcare textbook you need to own to stay ahead of the curve.

"I have adopted this text and have used it for the past two years. I believe it to be the best on the market." "I did not see that there were any weak chapters; nor did my students in an evaluation of the text; they liked it very much, found it very helpful in the course . . . I find that the students liked it a lot because it was so readable and well organized with good cases and questions." "I have adopted this text because it is specific to Healthcare. My previous text was just HR in general, and too many of the examples and the information did not apply. I have not had any complaints or negative comments from any of the students. I also have part time professors using this text (5 classroom and 10 on line) and they have not made any negative comments about the book. They all said they were happy to have an HR book that focuses on Healthcare." About the Author Walter Flynn is co-owner/founder of W. J. Flynn and Associates, LLC, Human Resource Consultants, St. Paul, Minnesota. His clients have included the following: medical centers, hospitals, clinics, physician practices, colleges and universities, insurance companies, pharmacy benefit management and industrial companies. Walt holds an MBA in Management from Xavier University, Cincinnati, Ohio and a BS in Psychology from Northern Kentucky University, Highland Heights, KY. Walt holds an adjunct faculty position within the Masters of Health and Human Services program at Saint Mary's University of Minnesota. He is a member of SHRM and a Lifetime SPHR. Dr. Robert L. Mathis is professor emeritus of management at the University of Nebraska at Omaha (UNO). Born and raised in Texas, he received his BBA and MBA from Texas Tech University and a Ph.D. in Management and Organization from the University of Colorado. At UNO, he has received the "Excellence in Teaching" award. Dr. Mathis has co-authored several books and published numerous articles covering a variety of topics. He also has held national offices in the Society for Human Resource Management (SHRM) and served as president of the Human Resource Certification Institute (HRCI). In addition, he is certified as a Senior Professional in Human Resources (SPHR) by HRCI. He has had extensive consulting experiences with organizations of all sizes and in a variety of areas. Firms assisted have been in the telecommunications, telemarketing, financial, manufacturing, retail, healthcare, and utility industries. Dr. Mathis has extensive specialized consulting experience in establishing or revising compensation plans for small- and medium-sized firms. Internationally, he has consulting and training experience with organizations in Australia, Lithuania, Romania, Moldova, and Taiwan. Dr. John H. Jackson is professor of management at the University of Wyoming. Born in Alaska, he received his BBA and MBA from Texas Tech University. He worked in the telecommunications industry in human resources management for several years before completing his PhD in Management and Organization at the University of Colorado. During his academic career, Dr. Jackson authored six other college texts and more than 50 articles and papers, including those appearing in ACADEMY OF MANAGEMENT REVIEW, JOURNAL OF MANAGEMENT, HUMAN RESOURCE MANAGEMENT, and HUMAN RESOURCES PLANNING. He has consulted with a variety of organizations on HR and management development matters and has served as an expert witness in a number of HR-related cases. At the University of Wyoming, he served four terms as department head in the Department of Management and Marketing. Dr. Jackson received the university's highest teaching award and has been recognized for his work with two-way interactive television for MBA students. Two Wyoming governors have appointed him to the Wyoming Business Council and the Workforce Development Council. Dr. Jackson serves as president of Silverwood Ranches, Inc.
