2 of 2 people found the following review helpful. Great to get it and reread the wise counselBy Douglas CrossI had read this book (older version) when I was 19. After practicing the eye exercises I got rid of my glasses andhave not worn them since. I am now 81 and not glasses and no drugs enter my body. I lost or gave away my older bookand so ordered another one. Great to get it and reread the wise counsel. Thanks for having it available. I ordered two copies andso far have only received one copy. WHERE IS MY 2ND COPY? PLEASE SEND IT. DOUGLAS CROSS
