Pierre Christin : On the False Earths (Valerian) before purchasing it in order to gage whether or not it would be worth my time, and all praised On the False Earths (Valerian):

0 of 0 people found the following review helpful. Four StarsBy Jonathan K.Series keeps getting better the more that you read it. Can't wait to see the movie.0 of 0 people found the following review helpful. Great comic!By TontsaGreat comic. One of my favourites of Valerian and Laureline books. Old classic. With touch of the older drawing style and inks. Like it a lot.0 of 0 people found the following review helpful. Five StarsBy Daniel S. JimenezExcellent...Like always Mezieres and Christin make a good team.

A spatio-temporal agent is always ready to give his lives for the mission?!Valerian, shot to death in an Indian fortress. Valerian, dead in 19th century London. Valerian, gunned down in San Francisco's Chinatown And Laureline, paired

up with an unpleasantly arrogant historian from Galaxy, forced to witness every demise of the man she loves on a succession of re-enacted pieces of human history. A very strange case that will take the two spatio-temporal agents to the limits of their endurance as they hunt down the mysterious architect of the false Earths.

About the Author Jean-Claude Mzières and Pierre Christin created "Valerian" in 1967 after working in the USA together, one as a cowboy, the other a teacher. While "Valerian" is Mzières' only comic series, he has worked as an illustrator in many other areas, including designs and sets for "The Fifth Element," and he was awarded the Grand Prix du festival d'Angoulême in 1984. Christin also works in collaboration with other artists such as Tardi and Bilal and writes novels and film scripts.
