This novel dives deeper into the relationship between Regina and The Huntsman. We also see Red and Snow's friendship. Can't wait to read the sequel.1 of 1 people found the following review helpful. Extension of series we already love!By Melissa Picarello -

CreamerWe love the Once Upon A Time series and I was so excited to see the graphic novels. This helps give additional storylines to the characters we already love. This book gives more of a background to the earlier stories from the Enchanted Forest, which I am figuring they do not have time to show on TV. It shows you where the history between The Huntsman and Regina, the Evil Queen really began. It gives you a whole other perspective of these characters. 0 of 0 people found the following review helpful. bookBy pegaso94Granddaughter loved it.

The Evil Queen has, quite literally, captured the Huntsman's heart -- and now he's her slave. Based on the world of ABC's hit primetime series ONCE UPON A TIME, this is the never-before-told tale behind their twisted relationship -- and what happens when a good man is forced to do bad. When Regina cooks up yet another devious plan to capture Snow White -- this time by allying with a pack of power-hungry werewolves -- the Huntsman comes face-to-face with his past...and an independent spirit in Red Riding Hood that just may match his own. Can these two break free of the forces that bind them and save Snow White? When put to the test, where will the Huntsman's loyalties lie? Has the Evil Queen stolen his heart in more ways than one?
