Great comic!By Paul N. RobinsonVol 2 continues the graphic, gross, laugh out loud and cry softly brilliance of this comic. Get it now?

The latest graphic novel in the New York Times best-selling comic series about a stoner witch, a cat, an owl, and a werewolf. The characters are imbued with far more pathos and depth than seems plausible given the stock comic premise drugged-out, slacker roommates. *One More Year* continues to give substance to the characters and personalities of its protagonists in ways that never fail to surprise, delight, and horrify. Full-color illustrations throughout.
