I wish Oreimo's main story kicked Kirino to the curb. :) Hopefully, that is exactly what this spin-off will be.. and so far.. it's been a good start! :) 2 of 2 people found the following review helpful. Kuroneko's Manga - A Must for Oreimo Fans By PDR Mike If you're into the Oreimo universe, you have to check out Kuroneko's manga series. Of course I loved it. Now they just need to give Ayase her own manga and my life would be complete. 0 of 0 people found the following review helpful. Received in good

In a shocking twist, Kyouzuke's sister Kirino has decided to study abroad...and Ruri Gokou, a.k.a. Kuroneko, is transferring to Kyouzuke's school! Is his homeroom prepared to have the dark Queen of Nightmare among them...and is the manga world prepared when Kuroneko makes her first pitch to a professional company? One thing's for sure-- Kyouzuke will be by her side, supporting her. But how close is "by her side" going to be...?This is a new spinoff of the Dark Horse series, Oreimo, starring the fan-favorite character, Kuroneko.
