The tranz are rather tru to character for the most part. I may have a quirk about a phrase or to but Translating is as much art as science it's said.Definitely need more Kuroneko or ShiroNeko as shown here.Promises extra bonuses for Fans who know the story to start with. Enjoyed the side stories as well.0 of 0 people found the following review helpful. wow!By Hetaliafan523Great! A new character is introduced too, I'm staring to get confused on how Kuroneko's reaction was towards the end....I can't wait for the next volume!!1 of 1 people found the following review helpful. Five StarsBy Daniela HowePretty cute manga, it's heads and tails above the stupid anime.

It's summer in Japan, and Kirino is back, which can mean only one thing...everyone's second trip together to Comike, the world's largest fan convention. Kuroneko's got a stack of her djinshi (self-published comics) to sell, but who should they all bump into there but the lovely, the talented male model Kouki Mikagami...who's been in a photo shoot with Kirino...?
