Popular girls vs. geek girls showdown! Kirino's done all she can to keep her two different groups of friends separate, but as much as she'd like to, she can't keep those two worlds from colliding, and this time, big brother Kyouusuke may not be able to help her. He's got problems of his own Kirino's friends can't decide if he's a dreamboat or a pervert! A smash-hit bestseller in Japan, Oreimo is presented in English for the very first time. Who says girls can't be otaku, too?
