Izumi Tsubaki : Oresama Teacher , Vol. 18 before purchasing it in order to gage whether or not it would be worth my time, and all praised Oresama Teacher , Vol. 18:

0 of 0 people found the following review helpful. Human Nature at its best!!By Dee H.Ok, this is a wonderful story. The main chic is what Japanese call a "bancho" - the leader of delinquents in school - not the leader of a gang. Anyway, it's really funny, so you have to read it alone or people will think you're crazy. The girl gets thrown out of school because of constant fighting and is put in a school that is for delinquents. There she meets up with her

childhood male-friend (age difference like 7 years: he was 13 and she was 6), and now he's one of her teachers. He was also the earlier bancho of her school and so made her also a delinquent. The story unravels around her and her friends and the teacher's still violent behavior. For those of you who have a sense of humor, love of youth, respect for the martial arts and a desire to see human nature at its best, this series is for you. There are 20 volumes in all. So, be patient for the last 2. And as of now, there is no anime version of this story. 1 of 1 people found the following review helpful. I'm so glad I bought the official english versions
By JakiI just absolutely adore this entire series, AAAAAAAAAA+++++++! I'm so glad I bought the official english versions, because even though the translation is slightly lacking, I do adore the omakes that are included! They're hilarious, and some even portray a story not central to the storyline at all!

By br1000My daughter loves these books!

Mafuyu is the no-nonsense, take-charge and hard-hitting leader of her high school gang. But when she gets expelled for being a delinquent, her mother, fed up with her daughters wayward ways, sends Mafuyu to an isolated school far off in the country. Its summertime, and the students of Midorigaoka Academy are indulging in the time-honored tradition of a test of courage! A walk through a haunted woods, it beats the heat by chilling the blood and forms bonds of friendship through shared terror. Its the perfect activity for Mafuyu! But not everyone joining the fun has pure-hearted revelry in mind some mysterious villains are using the test of courage as a cover to attack the Public Morals Club!

About the Author
Izumi Tsubaki began drawing manga in her first year of high school. She was soon selected to be in the top ten of Hana to Yume's HMC (Hana to Yume Mangaka Course), and subsequently won Hana to Yume's Big Challenge contest. Her debut title, Chijimete Distance (Shrink the Distance), ran in 2002 in Hana to Yume magazine, issue 17. In addition to The Magic Touch (originally published in Japan as Oyayubi kara Romance, or "Romance from the Thumbs"), she is currently working on the manga series Oresama Teacher (I'm the Teacher).
