FunBy Jude~3/5It has been quite a while since Ive read one of these volumes. And it very much feels like Ive missed a lot.There are still a ton of characters, but theres also some real story development happening here. Hayasaka is getting some memories from his past back, and trying to figure out what happened and confronting the

people behind it. Its a bit emotional, and surprising in its depth and seriousness. There's also, of course, a lot of hilarity. We see some letter-carrying pigeon make some mistakes. I also got to meet Komari for the first time (I don't remember her from when I paused the series), whom I find adorable, and I find her relationship with Akki very interesting. This was a fun volume, though I felt a little lost at the beginning. It does make me want to pick the series back up, though. A review copy was provided by the publisher, VIZ Media, for an honest review. Thank you so, so much! Mafuyu is the no-nonsense, take-charge and hard-hitting leader of her high school gang. But when she gets expelled for being a delinquent, her mother, fed up with her daughter's wayward ways, sends Mafuyu to an isolated school far off in the country. After the burden of his past sent Hayasaka fleeing into the stormy night, his dad is finally ready to reveal their family secrets. But is Hayasaka ready to remember why his memories started to disappear in the first place?!

About the Author Izumi Tsubaki began drawing manga in her first year of high school. She was soon selected to be in the top ten of Hana to Yume's HMC (Hana to Yume Mangaka Course), and subsequently won Hana to Yume's Big Challenge contest. Her debut title, *Chijimete Distance* (Shrink the Distance), ran in 2002 in Hana to Yume magazine, issue 17. In addition to *The Magic Touch* (originally published in Japan as *Oyayubi kara Romance*, or "Romance from the Thumbs"), she is currently working on the manga series *Oresama Teacher* (I'm the Teacher).
