Graeme Manson, John Fawcett, Jody Houser : Orphan Black before purchasing it in order to gage whether or not it would be worth my time, and all praised Orphan Black:

1 of 1 people found the following review helpful. Orphan Black, highly abridgedBy G. RitterIf a person new to Orphan Black tried to read this; it probably wouldn't make much sense. The panels seem to pick out a highlight from the show, but then don't really round out a story...it feels really superficial, confusing as to what's going on, and not really engaging. The artwork is also disappointing. I will say that the digital version shows nicely on my Kindle Fire.

Fans of Orphan Black will like to give a look-see at this just for the thrill of an Orphan Black item; but this comic won't make any new fans for the show. 0 of 0 people found the following review helpful. Orphan Black #1 By C. A. Isbell There was no way to cancel this order! I didn't know it was a comic book! 0 of 0 people found the following review helpful. The book version By Anitrea Payne The book version of Orphan Black gives you a little more depth and understanding to the awesome show that is 'Orphan Black'. The book helps you fill in the missing pieces that you might have after you have looked at an episode of the show. I love both the show and the book helps with some things I didn't even think about from the show.

Sarah Manning watched herself die. Or at least a woman who looked like her. Sarah learned that, not only were she and the woman clones, but there were others just like them, and dangerous factions at work set on capturing them all. Now, the mysterious world of Orphan Black widens, with new layers of the conspiracy being peeled back in this mini-series by co-creators John Fawcett and Graeme Manson! Join Sarah, Helena, Allison, Cosima, and the rest of clone club as the mystery deepens and the secrets get even more dangerous. Based on the hit BBC America TV Show!

About the Author Graeme Manson is the co-creator of the hit BBC America/Space series Orphan Black, with John Fawcett. A writer and producer, his other credits include Flashpoint, The Bridge, Endgame, and the cult-classic movie Cube. He's won three Canadian Screen Awards, a Hugo Award, and a Writers Guild of Canada Award. John Fawcett is the co-creator of the hit BBC America/Space series Orphan Black, with Graeme Manson. A writer, director, and producer, his other credits include The Bridge, Saving Hope, Rookie Blue, The Man in the High Castle, Xena: Warrior Princess, Lost Girl, and the 2000 film Ginger Snaps. He's won Canadian Screen Awards, Directors Guild of Canada Awards, and a Hugo Award. Jody Houser has written Faith for Valiant Comics, Max Ride: Ultimate Flight and Agent May for Marvel, Mother Panic for DC, and The X-Files: Origins and Orphan Black for IDW. She has been a contributing writer to numerous comic anthologies including Avengers: No More Bullying, Vertigo CMYK: Magenta, and both Womanthology series.
