**Aya Kanno : Otomen, Vol. 15** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Otomen, Vol. 15:

0 of 0 people found the following review helpful. Lovely SeriesBy dragonlilyWhat got me interested in this series was Kanno's beautiful art style. I just love the way she draws her characters! The only complaint I have is the slow progress of Asuka and Ryo's relationship.... At least it isn't as frustratingly slow as Kimi ni Todoke was, but seriously. We've gone 15 books now without any hugging or handholding that I can remember! And they're a couple!!!! What is the excuse for that!?! But I have to add that I'm a pretty impatient person AND a huge romantic junkie so it might not

bother others as much as it does me. And besides, the main focus of the story isn't their relationship but of Asuka and his friends accepting themselves and finding their place in society. And I just love that. I love how Kanno takes the time to draw out every character's life and really shows the readers how they tie into and affect Asuka's story. The plot progresses slowly and I think it's a real enjoyable read. :) And I absolutely adore the artwork (not too flashy, yet very simple and defined). Again though, as a fan, I want more progress on AsuRyo's relationship!!!2 of 2 people found the following review helpful. Yes!By DelamaineOnce more, Kanno does not disappoint! This volume is full of little chuckles and a few bigger laughs, and it advances personal character development for Tonomine and Yamato quite nicely (although at the end Yamato is still acting a little goofy, which is only to be expected). Not enough Juta this time...seriously, we NEED MORE JUTA. But otherwise, an excellent continuation to the series. I've given up on preordering all the other series I was interested in, but will continue with Otomen as long as it goes. The characters are very sweet and Kanno brings us life lessons in a way that's not too heavy-handed. Recommended.1 of 1 people found the following review helpful. Otomen are the future!By Rylan CurryIt's fantastically refreshing to see this kind of story. The characters are just adorable and easy to get attached to. I highly recommend this manga to anyone who are into otomen (guys who love girly things). Otomen are the future~!

A shojo series that features handsome, manly men who have cute, girly hobbies!Asuka Masamune is a guy who loves girly things--sewing, knitting, making cute stuffed animals and reading shojo comics. But in a world where boys are expected to act manly, Asuka must hide his beloved hobbies and play the part of a masculine jock instead. Can Asuka ever show his true self to anyone, much less to Ryo Miyakozuka, the girl that he's falling for? Asukas kendo rival Hajime Tonomine feels torn when his father declares him as his future successor. Will Tonomine give up his love of makeup in order to enter the world of politics? Or will his otomen pastime find a way to prevail? Reads R to L (Japanese Style) for teen audiences.

About the AuthorAya Kanno was born in Tokyo, Japan. She is the creator of Soul Rescue, which has been published in the United States, and her latest work, Otomen, is currently being serialized in Japan's BetsuHana magazine. Blank Slate was originally published as Akusaga in Japan, also in BetsuHana.
