Aya Kanno : Otomen, Vol. 18 before purchasing it in order to gage whether or not it would be worth my time, and all praised Otomen, Vol. 18:

2 of 2 people found the following review helpful. Comes in excellent condition if you buy new from langssports :D Happy Lucky!By Spooky BoogieThought I'd give a condition review instead of a summary because many people already seemed to have gotten that part covered. I purchased mine online here from new paperback. From langssports. Came in awesome condition. First pic: nicely wrapped up in plastic bag. Second pic: not too stiff, but not

too floppy. Has an acceptable used feel to it instead of a worn out used feel. 5 stars from me. Came in 2 days with regular shipping! Happy Lucky! 1 of 1 people found the following review helpful. End to a great manga series By Usagi Uchiha It sadness me that series is finally over. I felt like this series was a part of my life for the past two years, following the lives of Asuka and his journey to prove that guys can like girly things like shojo manga (which is ironic because this series is published by a shojo manga company) and also to tell Ryo that he likes her, which Ryo is pretty much oblivious throughout most of the manga. Due to Asuka having a case of amnesia, the ending is somewhat surprising but it wraps up nicely with both of the main characters being happy with their lives. I won't spoil too much on why they are so happy, you will just have to see for yourselves. Sad to see it go but I am happy to have read this excellent manga. 3 of 3 people found the following review helpful. Above and Beyond By L King This book is an epic finale that puts the insecure feelings left from the last volume to rest. Well done.

Asuka Masamune is a guy who loves girly things sewing, knitting, making cute stuffed animals and reading shojo comics. But in a world where boys are expected to act manly, Asuka must hide his beloved hobbies and play the part of a masculine jock instead. Can Asuka ever show his true self to anyone, much less to Ryo Miyakozuka, the girl that hes falling for? For the sake of his mom, Asuka turns away from his friends and Ryo But the unimaginable happens when Asukas friends stage an intervention at his graduation! With everything on the line, how will things end for our beloved otomen?!

About the Author Aya Kanno was born in Tokyo, Japan. She is the creator of Soul Rescue and Blank Slate (originally published as Akusaga in Japans BetsuHana magazine).
