I absolutely loved this series and actually having it in my hands is amazing. If you want the whole series in outstanding condition and for a great price, (you're basically only paying for almost 8 out of 18 volumes. That's means you're getting 10 for free!) you're looking in the right place. Also if you've only watched the anime you are missing out!0 of 0 people found the following review helpful. what a beautiful box setBy Green eggs and hamWow, what a beautiful box set. It has a carrier handle and everything. We got this anime set for my daughter's birthday as her main gift and she was thrilled. So beautiful and vibrant. If you have a child that loves Anime then this is the series for you. It will be hard to beat the price anywhere else. The books were pristine and came quickly. My daughter absolutely loves this series and we could not have been happier with the company. The books are beautiful and a have a great story. The price may seem high but is average for Anime.0 of 0 people found the following review helpful. Read them. Loved them. But can't get them back into boxBy SharpedoLoved the series, it was cute.My only gripe about this box set is that for some reason I cannot fit all the books back into the box after reading them. I tried to squeeze the last book in but was afraid of damaging one of them. I'm very careful with my manga and meticulous when it comes to reading and caring for them, therefore I didn't crack the spine of any of them so I'm puzzled. Otherwise the books were in a nice box with velcro closings and a handle to carry the set.

The complete best-selling series, now in a value-priced box setReads R to L (Japanese style) for teen audiences. In this screwball romantic comedy, Haruhi, a poor girl at a rich kids school, is forced to repay an \$80,000 debt by working for the schools swankiest, all-male club as a boy! There she discovers just how wealthy the six members are and how different the rich are from everybody else

About the AuthorBisco Hatori made her manga debut with Isshun kan no Romance (A Moment of Romance) in LaLa DX magazine. The comedy Ouran High School Host Club is her breakout hit. When she's stuck thinking up characters'

names, she gets inspired by loud, upbeat music (her radio is set to NACK5 FM). She enjoys reading all kinds of manga, but she's especially fond of the sci-fi drama *Please Save My Earth* and *Slam Dunk*, a basketball classic.
