**Bisco Hatori : Ouran High School Host Club, Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ouran High School Host Club, Vol. 1:

1 of 1 people found the following review helpful. Fancy TunaBy olivia b.I loved the anime so I decided to try the manga too and it's been great so far. Only concerns are there was a crease on the front cover. It's no biggie it's just kind of bothers me. Also kind of wish customer service was better since I had tried to cancel this order so I could buy this with something else so I could get it cheaper and it took 2 days for them to respond and during that time they shipped

the book so I couldn't cancel it. ./ But, I've just decided to keep it and shipping was pretty good. Other than that this is a great series and I feel really bad saying bad things about it because it truly is amazing, they just needs to work out some kinks in a few places.0 of 0 people found the following review helpful. Bought this on my KindleBy Sahian5 stars for the book but its hard to read manga on the kindle sometimes so, there are so many smaller words so I have to keep on zooming in and than waiting for the picture to clear. Kind of annoying when you have to do this with every page so I think I may refrain buying manga on Kindle now.0 of 0 people found the following review helpful. Funny and Entertaining.By Kindle CustomerI loved this series and the books are just as entertaining. I watched the entire series in just a couple of days cause I could stop watching them so I started purchasing the books and was doubly entertained. In those times I just need to laugh, I open one of these books up on my reader.

One day, Haruhi, a scholarship student at exclusive Ouran High School, breaks an \$80,000 vase that belongs to the 'Host Club', a mysterious campus group consisting of six super-rich (and gorgeous) guys. To pay back the damages, she is forced to work for the club, and it's there that she discovers just how wealthy the boys are and how different they are from everybody else.

From the Back CoverOne day, Haruhi, a scholarship student at exclusive Ouran High School, breaks an \$80,000 vase that belongs to the "Host Club," a mysterious campus group consisting of six super-rich (and gorgeous) guys. To pay back the damages, she is forced to work for the club, and it's there that she discovers just how wealthy the boys are and how different they are from everybody else.About the AuthorBisco Hatori made her manga debut with Isshun kan no Romance (A Moment of Romance) in LaLa DX magazine. The comedy Ouran High School Host Club is her breakout hit. When she's stuck thinking up characters' names, she gets inspired by loud, upbeat music (her radio is set to NACK5 FM). She enjoys reading all kinds of manga, but she's especially fond of the sci-fi drama Please Save My Earth and Slam Dunk, a basketball classic.
