Bisco Hatori : Ouran High School Host Club, Vol. 13 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ouran High School Host Club, Vol. 13:

5 of 5 people found the following review helpful. Yay! Back to the funny! By Delamaine I was pretty depressed at the overall tone of volume 12. There was a lot of introspection, and the club was split up in various places, so a lot of the humor that springs from the twins goading Tamaki, or Kyoya goading Tamaki, was missing. Luckily, things are back in a big way to being the funny host club I love. Kyoya is back from France, and Tamaki seems perfectly normal and

back to his old self. There are a few precious panels with my faves NekoZawa and Kasanoda, but not enough...and then there is a little bit of love-introspection, but it's done in a funny way. Haruhi still seems like she's in the background here, but I don't care because it's well done. Mei comes back as a deus ex machina, but Ranka is not in the story at all. Oh well! Looking forward to #14!0 of 0 people found the following review helpful. Another wonderful volume of Ouran Highschool host ClubBy MariaAnother wonderful volume of Ouran Highschool host Club! Full of fun that should never end. I could give you the synopsis but I'm sure by now you know it. This volume is a must read, especially for any OHSHC fan. Mind you people who have come directly over from the anime, it's better to start at the beginning rather than the middle as it is quite different.0 of 0 people found the following review helpful. Fun Shoujo series from start to endBy RenIf your a fan of Ouran, your probably going to want to get or at least read the whole set. I read the last 6 volumes in a short period of time, so I don't remember all the details of the seperate volumes. This Volume continues with the same light hearted comedy mixed with the drama of the Love triangle between Hikaru, Tamaki and unbeknown to her, Haruhi. The later books really deepen the character development, so that one doesn't see the characters as "the host club" but rather as Mori, Honey, Tamaki, Kyoya, Hikaru, Kauro and Haruhi. This is one of my favorite Manga series, not just shoujo manga but manga in general.

Now an animated series! R to L (Japanese Style). Mei, wanting Haruhi to face up to her feelings, leaves out a magazine that has a checklist for determining whether a girl is in love. As Haruhi reads through the checklist, she realizes that one host may have captured her heart without her even knowing In this screwball romantic comedy, Haruhi, a poor girl at a rich kids' school, is forced to repay an \$80,000 debt by working for the school's swankiest, all-male club--as a boy! There, she discovers just how wealthy the six members are and how different the rich are from everybody else....

About the AuthorBisco Hatori made her manga debut with Isshun kan no Romance (A Moment of Romance) in LaLa DX magazine. The comedy Ouran High School Host Club is her breakout hit. When she's stuck thinking up characters' names, she gets inspired by loud, upbeat music (her radio is set to NACK5 FM). She enjoys reading all kinds of manga, but she's especially fond of the sci-fi drama Please Save My Earth and Slam Dunk, a basketball classic.
