**Bisco Hatori : Ouran High School Host Club, Vol. 16** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ouran High School Host Club, Vol. 16:

It is not as tearful as everyone had hoped (except Tamaki, who for Suoh-related reasons is going through some personal problems of his own). Everybody's acting pretty normal again, after the crazy behavior I hated in some of the other more recent volumes. Since there are so many plot threads going on (graduation, Hunny/Mori duel, Suoh

problems, the involvement of the Suoh lawyer, Haruhi love problems, etc.) these threads are dealt with in fairly cursory fashion, rather than an in-depth look at fewer story lines. But it's well-done. We meet Hunny's and Mori's dad! There's a bonus manga of how Ranka met and courted Haruhi's mom! And another one about the twins' wild grandmother. At first I was freaking out because it said their grandmother was only 45 years old (which is only biologically possible in very extreme situations), but it was a story from when the twins were only 5, so it works out OK. The NekoZawa Kasanoda report: NekoZawa appears with Bereznoff in one panel, no speaking; Bereznoff appears alone with the club members on the Episode 72 splash page. Kasanoda appears (non-speaking) at the beginning of the Hunny/Mori duel, and gives Mori a bunch of flowers at the conclusion of the duel. Wah. I want more NekoZawa! 0 of 0 people found the following review helpful. Another wonderful volume of Ouran Highschool host Club! By Maria Another wonderful volume of Ouran Highschool host Club! Full of fun that should never end. I could give you the synopsis but I'm sure by now you know it. This volume is a must read, especially for any OHSHC fan. Mind you people who have come directly over from the anime, it's better to start at the beginning rather than the middle as it is quite different. 0 of 0 people found the following review helpful. funny By PuppyBear As always the Host Club is hilarious and challenging! Love it Love it Love it! So read it! Read it!

The uproarious comedy about a girl enlisted to work in a lavish host club! Reads R to L (Japanese Style), for audiences T The two senior members of the Host Club are graduating and will lead separate lives at university. Everyone is mourning the loss of the Hunny-Mori Combo, but the longtime duo already seems to have ended their close friendship. Now Mori has challenged Hunny to a duel but why?

About the Author Bisco Hatori made her manga debut with Isshun kan no Romance (A Moment of Romance) in LaLa DX magazine. The comedy Ouran High School Host Club is her breakout hit. When she's stuck thinking up characters' names, she gets inspired by loud, upbeat music (her radio is set to NACK5 FM). She enjoys reading all kinds of manga, but she's especially fond of the sci-fi drama Please Save My Earth and Slam Dunk, a basketball classic.
