Another wonderful volume of Ouran Highschool host Club! By Maria Another wonderful volume of Ouran Highschool host Club! Full of fun that should never end. I could give you the synopsis but I'm sure by now you know it. This volume is a must read, especially for any OHSHC fan. Mind you people who have come directly over from the anime, it's better to start at the beginning rather than the middle as it is quite different.

In this sharp-witted romantic comedy about the clash of the classes (of all kinds), a poor girl at a rich kids' school ends up working at the school's toniest club-and gets mistaken for a boy! In this high anticipated title, a kind of cross between HANA-KIMI and BOYS OVER FLOWERS, Haruhi is a scholarship student at an exclusive private school: Ouran High School, where it turns out the bespectacled, short-haired Haruhi is the only student from a lower-middle class family in attendance! Then, to make matters worse, one day she breaks an \$80,000 vase that belongs to one of the campus clubs-a mysterious outfit called the "Host Club," consisting of six superrich (and gorgeous) guys. Haruhi can't afford to pay back the cost of the vase, of course, so she's forced to work for the Host Club! And it's there that she discovers just how rich all the boys are and how different the rich are from you and me... And meanwhile, the eccentric but good-hearted rich boys are shocked to find out how life is on the other side...

About the Author Bisco Hatori made her manga debut with *Isshun kan no Romance (A Moment of Romance)* in *LaLa DX* magazine. The comedy *Ouran High School Host Club* is her breakout hit. When she's stuck thinking up characters' names, she gets inspired by loud, upbeat music (her radio is set to NACK5 FM). She enjoys reading all kinds of manga, but she's especially fond of the sci-fi drama *Please Save My Earth* and *Slam Dunk*, a basketball classic.
