Robert Kirkman : Outcast by Kirkman Azaceta Volume 2: A Vast and Unending Ruin before purchasing it in order to gage whether or not it would be worth my time, and all praised Outcast by Kirkman Azaceta Volume 2: A Vast and Unending Ruin:

0 of 0 people found the following review helpful. I am 22 and I love the thriller/horror genreBy EstebanAgain, Kirman and Azaceta have killed it. To give you a little background on myself, I am 22 and I love the thriller/horror genre. There has not been a movie in that genre that has made me clench my butt out of fear since I was like 15 years old.

None. As a fan of TWD (both show and comics; by Kirkman also), I can say that neither the show or the comics have really made me afraid. The first volume of Outcast was amazing, but it did not put fear in me. This second volume has. Specifically, there were 2-3 instances where I had to close the book for a few seconds and take a breathe because of how scared and excited I was. I literally felt like a scared little kid. This feeling has been so foreign to me lately that it was amazing feeling fear again. Needless to say, I would recommend this series to anyone. The story is amazing, the art is amazing, and it is simply flawless. 0 of 0 people found the following review helpful. Outcast is absolutely a great comic to read. By Meg Outcast is absolutely a great comic to read. Full of suspense and has an interesting concept, Outcast is a page turner that you will not be able to put down. Kirkman is a fantastic writer. 0 of 0 people found the following review helpful. Great follow up. By Bryan So good. So dark. So twisted. Keeps you intrigued. More questions than answers.

Kyle Barnes has been plagued by demonic possession all his life. In light of recent revelations, he finally feels like he's starting to piece together the answers he's looking for. But while he feels a new sense of purpose... is Reverend Anderson's life falling apart? Collects Outcast by Kirkman Azaceta #7-12.

LIBRARY JOURNAL (STARRED) -- Kirkman, creator of The Walking Dead series, has launched another grim and civilization-menacing serial. The artwork of Azaceta is bold and course, with sophisticated and dramatic coloring. The overall effect is atmospherically creepy and yearns to be read. The television series is already under way.
