**Robert Kirkman : Outcast by Kirkman Azaceta Volume 4** before purchasing it in order to gage whether or not it would be worth my time, and all praised Outcast by Kirkman Azaceta Volume 4:

1 of 1 people found the following review helpful. good, but tell us what is really going on at this pointBy Frank L. Greenagel II"Outcast" continues to impress. The plot is interesting and it is paced well. The characters are believable and well rounded. The artwork by Paul Azaceta is the absolute strength of this book. He does a neat little trick with close-up shots within larger panels to reveal the detail of a particular movement or scene.It's not perfect though. 24

issues in, we have only a little bit better understanding of the sickness that has infected a large swath of the town. The same goes for Kyle's powers. A way to dress up a story over a long period of time is to have a number of mysteries - Kirkman has kept us in the dark about the nature of the problem for 2 years worth of issues (either he hasn't figured out what the source of the conflict is or he is purposely stringing out the mysteries much too long in order to trump up the story). 1 of 1 people found the following review helpful. Outcast Forever By MegUghhhh Robert Kirkman literally knows how to write comic books so well. I started first getting into comic books by reading The Walking Dead (also by Kirkman) and then once I caught up, needed a new comic book to binge-read. Well, lo and behold, I stumbled upon Outcast and have not been disappointed. Outcast is dark and suspenseful and you really get involved with the plot and startling for the characters. Churchman definitely has a knack for writing comics. 0 of 0 people found the following review helpful. This is a great comic! Fans of Kirkman will love this By Zak and Becca! This is a great comic! Fans of Kirkman will love this. This is the fourth volume in the run. story line unfolds slowly giving bits of the plot but holds interest with the events that happen. It will keep you reading and wanting more.

Answers are given and secrets are revealed as Kyle Barnes and Sidney have a conversation that will change EVERYTHING. Kyle has never been in more danger. THE WALKING DEAD creator ROBERT KIRKMANS latest horror hit is now a Cinemax TV show. Collects OUTCAST BY KIRKMAN AZACETA #19-24.
